### Spectator Information

#### Tickets for Entry

We will be operating a cashless system for all spectators. **Tickets must be purchased in advanced** via our online bookings page where a ticket will be issued via email. This ticket contains a barcode unique to each booking. On arrival at the spectator gallery please present your ticket, either printed in advanced at home or displayed on your smartphone. Our door staff will scan the barcode on your ticket for every person being admitted and check you in. Tickets are non-refundable but can be transferred to other people, however only one person per ticket can be admitted into the spectator gallery. Multiple tickets can be purchased to admit more than one person. No valid ticket, no admission. ## Parking

Parking is free for all those attending. Please make sure you validate tickets/tokens before departure.

## Entry

Entry to the spectator gallery will be 15 minutes before the start of the warm up in each session. Please only enter the pool at the appropriate time for your session.

## Changing Rooms

Parents are not allowed in the swimmers changing rooms under any circumstances.

## Photography

We are all aware of the wide range of devices including mobile telephones which have photo and video capability. This enables the capture of static and moving images. The majority of images taken within a swimming gala setting are appropriate and taken in good faith. However, images of children and adults can be misused, and sharing images widely without consent may betray a confidence or identify of a child or adult, which could present a risk of harm to that individual if common sense procedures are not followed. Anyone taking photos/videos are requested to focus on their own swimmers as much as reasonably possible and to avoid including other children in images, particularly if those images are being shared with family and friends or through social media. Whilst it is acknowledged that swimmers wish to celebrate their achievements when taking part in aquatic events, it should be recognised and respected that other parents/carers may not wish for their child's image to be taken and shared in this way. Diss Otters encourage all participants to make themselves familiar with the photography and filming arrangements and be vigilant during the event. Should individuals have any concerns about photography or filming at the event, this should be brought to the immediate attention of the Promoter.

## Results

Results will be available via the Diss Otters website and will be refreshed at the conclusion of each session. A full set of digital results will be made available to each team on conclusion of the meet. Email [events@dissotters.co.uk](mailto:events@dissotters.co.uk)

## Covid-19

Due to Covid-19 we will be allowing spectators but restricting numbers. The whole of the spectator gallery over the 50m will be in use and spectators are asked to be sensible when selecting their seating arrangements. Although the law no longer requires, we would still encourage the use of face coverings. We ask that spectators are mindful of others who may wish to maintain distancing from others.
